 Workshops constitute 40 minute streamed sessions and presentations constitute 20 minute standalone sessions.
- The ability to disseminate white papers and research on the Campden Memberlink® website across 12 months.
- Logo and profile (max 175 words) to appear in forum workbooks and on the Campden Events website.
- Option to display one piece of thought leadership on a shared marketing table at each of the members' forums.
- Through the onboarding process, educate the Campden team with insight into their firm's services and objectives in order to facilitate value driven connectivity and opportunity.
- Complimentary invitations for up to three qualifying client guests per members' forum.
- Branding and educational editorials across Campden's digital and social platforms.
